AXXON[®] GOLD

GASOLINE ENGINE OIL 0W-20 SP

AXXONGOLD 0W-20 is a synthetic engine oil formulated from premium quality base stocks combined with high performance additives to give your engine the protection and the performance you expect under a wide variety of operating conditions. It is recommended for all high performance gasoline engine cars equipped with multi valve & turbo charger technologies.

DIESEL ENGINE OIL 15W-40 CI-4

AXXONGOLD 15W-40 heavy-duty diesel engine oil that provides excellent lubrication in modern diesel and gasoline engines operating in severe conditions. It is formulated using state-of-the-art additives and high quality base oils to meet current API and OEM requirements for volatility and oxidation resistance. Can be used for multi valve & turbo charger technologies.

TRANSMISSION FLUID DEXRON IV

AXXONGOLD DEXRON IV is a fully synthetic automatic transmission fluid formulated with premium, severely hydro processed base stocks and additives that helps provide oxidation and thermal stability, friction control, load carrying ability, corrosion and wear protection. It helps protect against the formation of deposits, sludge, varnish, foam and provide outstanding durability.

AXXON[®] GOLD

4T ENGINE OIL 10W40 SN JASO MA2

AXXONGOLD 4T 10W-40 is a synthetic high-performance 4-Stroke engine oil formulated specifically to meet the needs of modern motorcycle engines. It is primarily for on-road, high-performance, 4-cycle sport bikes, however, it may be used in other types of on and off-road 4-Stroke motorcycles. It is formulated to help offer outstanding protection in 4-cycle, V-Twin type engines.

GEAR OIL 80W-90 GL-5

AXXONGOLD GEAR OIL 80W90 Multi-grade Heavy Duty Gear oil, formulated with the multiple additives and blended using latest technology; provides superior lubrication for gearboxes and axle. Suitable for multi-purpose transmission oil for synchronized and non-synchronized transmission and for axle. Transmission, transfer case, intermediate gear boxes

HYDRAULIC OIL 68

AXXONGOLD heavy duty hydraulic oil 68 manufactured from high quality base oils combined with anti-wear additives and rust inhibitors, to provide highly stable premium hydraulic fluids with a quality reserve for excellent performance under a severe operating condition in automotive and industrial applications. Blended with high quality additives to improve corrosion protection

MARINE OIL TCW-3

AXXONGOLD 2T is a premium performance, two stroke, marine outboard engine oil formulated with a special ash less additive system. It is pre diluted with high flash point solvent to facilitate mixing with petrol at all temperatures. It is designed for engines requiring NMMA TC-W3 performance lubricants, operating in all service conditions

COOLANT/ANTIFREEZE 50% - 30%

AXXONGOLD Coolant / Antifreeze is a ready-to-use, ethylene glycol-based coolant that is designed to provide exceptional wet sleeve liner cavitation and corrosion protection of all cooling system metals. Avalanche Coolant / Antifreeze is formulated with organic corrosion inhibitors to provide total cooling system protection for on-road and off-road use.

BRAKE FLUID DOT-3 / DOT-4

AXXONGOLD brake fluid DOT - 4 is a heavy-duty brake fluid, contains antioxidant, and corrosion inhibitor to ensure long service life of brake fluid and brake components. Due to high boiling point, it does not give vapor lock problems in high temperature working conditions.
